Profile

From an early age I have been passionate about computers and ICT. In my spare time I work on personal projects, through which I have built up broad hands-on experience.

Experience

Club Sterker — Software Developer (2023-present)

- Built an in-house ERP solution for managing clients and employees.
- Stack: Docker, AWS EC2, React TypeScript, Rust, PostgreSQL, Keycloak.

Het Molenslop (Weelde) — Waiter / Kitchen Assistant (2021-2023)

- Serving tables, washing dishes, kitchen support.

Pluvera — Student Worker (Summer 2020)

- Factory work: packaging, sorting and processing.

ALDI — Cashier / Shelf Stacker (2018-2019)

- Helping customers at checkout, restocking shelves.
-

Education

- **VUB** — Master Computer Science (2025-present)
 - **AP Hogeschool** — Bachelor Cloud & Cybersecurity (2022-2025)
 - **Thomas More (Geel)** — Applied Computer Science (2021-2022)
 - **Sint-Victor (Turnhout)** — IT Management (TSO) (2015-2021)
-
